mrstarklordstudios The Fox has fallen down

A slowed re-watch of the New Deadpool and Wolverine teaser revealed this shattered 20th Century Fox Studios logo lying half emerged on the ground.

Does this signify that the Fox studios of a certain universe lost it's potential and landed in the void

mrstarklordstudios Would you like to see Iron Man in Vibranium (Purple) Suit ?

I was planning to recreate this once again. After my Iron Man Black Suit got a pretty good number of views (Great thanks to all of you) I decided to carry on with other Iron Man variant suit and this idea came to my mind.

Let me know what you guys think, should I make it or you can suggest me some other colour combo.

BONUS: Slide till the end for a surprise Suit Recolor
